Coming into our 3rd year we hope to give back to disadvantaged Australians through school stationery!

# OUR STORY

## BERTHA MOORE

---

As a social enterprise we aim to give back to Australia's youth by aiding them to continue their educational journey. Bertha was an Indigenous Scholarship recipient and said all she wanted was pretty stationery for the new school year. With her blessing we launched the Stationery Drive in 2016 and since then we have been giving back to our young Australians. You can too!
